Hello everyone,

In addition to the ICE Binder, please utilize the ICE Log Stamp for the ICE Log Book, which are all located at the release desk station. The log stamp ensures that all the pertinent information is recorded. Please continue to log the time, the ICE agent you contacted, and put your name and badge#.

Also, please make sure that the Booking Sergeant is aware of either the ICE transfer or if the inmate does not meet SB54 qualifications (outside the gate) as they must sign off on your ICE log entry.

Thank you in advance for all your continued efforts. If you have any questions or suggestions, please don't hesitate to let us know.
